

August 3, 2020

Dear Webb Students and Families,

As we head into August, we wanted to provide you with additional information about our Opening Days, September 2-6. We have posted a complete orientation schedule in our start-of-year widget on the SIS resource board.

Please note, for all students, orientation is mandatory. For parents, we really hope you can join, as we will be providing important information about supporting your students in the months ahead.

To access orientation schedules and to complete any remaining enrollment forms, please log in to SIS at [webb.myschoolapp.com](http://webb.myschoolapp.com).

We have also posted our full weekly schedule. **Each student's personalized learning plan coordinator will be reaching out to introduce themselves by the end of the week.** They will be sharing preliminary class and afternoon activity information and getting additional feedback to help craft personalized learning plans for your student. These plans, complete with a weekly schedule, will be provided before the start of classes.

Students and parents will also be hearing from their advisors this week as well. Faculty are eager to check in and hear how our students are doing!

Please reach out if you have any questions.

Best,

Dr. Theresa Smith  
Associate Head of Schools

#### **Next steps for all students and families:**

Log into SIS and...

- Ensure you have completed all enrollment forms.
  - Check out the orientation schedules on the resource board under start-of-year.
  - For families within a one-hour drive of campus, sign up for an appointment for academic resource pick-up.
  - Log into Magnus through the resource board and complete any outstanding health forms. If you have questions about health forms, please contact [healthservices@webb.org](mailto:healthservices@webb.org).
-
