

ROUNDTABLE DEBATE ACADEMY SUMMER 2023 POLITICAL ENGAGEMENT CAMP

Why Political Engagement?

Political engagement is one of the best ways someone like you and I can create change in the community. Political engagement starts with political understanding, which equips you with the tools for recognizing problems. This understanding could lead to political action and ultimately, political change.

Mission

Equip young students with the tools for political engagement and change

Founder and teacher

Kathy Duan

Kathy is a sophomore at The Webb Schools based in California. As a debater of five years, she is passionate about politics. However, through recent canvassing trips for now U.S. Congresswomen Katie Porter, she realized how many people her age are not engaged in politics.
